Principal's Message

Welcome to October!

What a wonderful start to the 2026/2027 school year we have had here at Dunstable! It has been so exciting to see the school filled with energy, enthusiasm, and the many smiles that come with the beginning of a new school year. Thank you to our students, staff, and of course all of you for making our start up a positive one! As we move into October, our focus begins to shift from simply "getting started" to establishing strong routines, structures, and expectations that will support learning throughout the year. In our classrooms, students are learning what successful learning looks and sounds like —how to organize themselves, transition between activities, work with others, manage their time, and take increasing responsibility and accountability for their learning and actions.

We have also been busy celebrating and honoring many important events and activities. Our intramural program has kicked off with some exciting soccer games. We have commenced our bear of the day program with lots of great presentations and sharing from students. We also honored Terry Fox by visiting our wonderful neighbours at Camp Nakamun for our annual run. In addition, we honored National Day for Truth and Reconciliation by coming together as a school community to participate in a variety of activities and learning opportunities.

We are looking forward to seeing all of you at our October Parent/Teacher Goal Setting evenings on October 6th and 7th. If you haven't yet, please contact the school office to book a time to meet with your child's teacher- I am looking forward to seeing you there! As always, please don't hesitate to reach out at any time and thank YOU for being an important part of the Dunstable Family!

Kind regards,
Mr.D

School Council
